At a meeting of The Teachers Association of Christ Church Sunday School, held in the guild room, this stormy evening, there were seven present. The meeting was opened with prayer. Miss Fletcher was appointed secretary pro-tem. The Superintendent reported attendance &c. The Treasurer reported state of funds. The Librarian reported state of the library, and the pressing needs of more new books. An appropriation was made of $10 - from the treasury for the purchase of about one dozen new books. It was also suggested that the Congregation be asked to donate such books as might be appropriate for S. S. Library, that they are through using.

The Committee on Music reported progress.

The Committee on Christmas festival and Entertainment was appointed consisting of Miss E. A. Weeks Miss Jesse Fletcher Miss Elizabeth Alexander, Miss Straub and Mr B. F. Cills.

It was decided that as Christmas falls this year on Sunday — on that afternoon to have our S. S. Carol service in Church — the festival of good things on Wednesday evening Dec 28th — and the Entertainment on Thursday evening Dec 29th. (The Infant School probably Wednesday afternoon)

Attention was called to the fact, of the unfortunate time of meeting "the last Tuesday in the month," which occurs in Xmas week. Miss Fletcher moved that it be made the <u>second Tuesday</u> in the month. After discussion it was recorded for final adoption at the next meeting in December according to the Constitution and by-laws.

Rev Mr Barnes read a communication from our two Bishops, asking our S. S. Advent offerings for Missions in our new possessions. After discussion it was decided that our Sunday School offerings on Christmas day, being the four Sundays in December be devoted to that object.

Rev Mr Barnes called attention to the fact, that he & Mr Head had arranged for excellent moveable scenery for stage entertainments; and that Mr Head had cheerfully done all the work on it, that the actual

Cost for material was very small, compared with the real enjoyment it would afford. The bill of items of actual expenditure was read, and the Association voted $20 – to pay for it. Those present were invited up stairs to examine it in its two fold aspect, the interior of a room with its doors and windows, and a scene on the wooded hill side, a house in the back ground of 1695.
